Kinette Club of Vulcan Is New Organization

On Wednesday, April 19, a Kinette Club of Vulcan, chartered by the Vulcan Kinismen Club and sponsored by the Kinette Club of Lethbridge was formed. This special evening was attended by many guests and visitors from out of town in spite of a severe blizzard.

Following a social hour in the Vulcan Lodge Hall the group moved downstairs for supper and the program to follow. To start, "O' Canada, the Kin song" and the Kinette song were sung by the local clubs followed by the invocation given by Rev. Fr. W. McCallum with grace by Kin Larry Mitchell. After supper chairman and Past-president Amond Hyslop introduced the guests and visitors.

Installation of the newly formed Kinette Club officers and members was performed by the District

Deputy Governor, Grant Gardiner of Medicine Hat, who installed the executive and charged them with their duties. Executive includes: Shirley Gatenby as president; Rita Scott, vice-president; Jacqueline Lucas, secretary; Agnes Petrosky, treasurer and Audrey Warren, director. Charter members: Marlene Aiken, Mary Bartman, Laro Habke, Mary-Jane Hilz, Margo Houlton, Diane Hughes, Mary Hyslop, Kathy Jordan, Marge Jordan, Mary Koons, Agnes Mitchell, Virginia Mitchell, Marie Moore, Mirra Olsen, Bernice Paul, Dorothy Philpot and Louise Schmidt.

Following the oath and declaration of the body as the official Kinette Club of Vulcan by D.D.G. Gardiner, Vice-president Cleo Schmidt then made the presentation to President Shirley Gatenby of the Certificate of Formation. Pres. Keith Aiken made the presentation of Kinette pins and the Kinettes were congratulated by everyone.

Kin Bob Petrosky gave the toast to the ladies with Kinette Virginia Mitchell responding. Kin Ken Gatenby gave the toast to the Association and D.D.G. Gardiner gave the reply.

Presentations of gifts were made to Pres. Shirley Gatenby by Joyce Kandt, president of the Lethbridge Kinette Club; Marilyn Gardiner, president of the Medicine Hat club; Janette Forchuk, president of the Vauxhall club and Agnes Philpot, president of the Brooks club. Telegrams of congratulations were read from the clubs of Hansel, Ont., Red Deer, Provost and Ponoka.

Mayor Gerry Ness welcomed the visitors, congratulated the newly formed club on behalf of the town council and wished it every success in the future. Greetings were extended to the club by the Allan McAskill, president of the Vulcan and District Chamber of Commerce, and from women's organizations, Ladies' Auxiliary to Royal Canadian Legion, by Past-president Hanna Matlock; Royal Purple, by Lil Schmidt and the Lionette Club, by President Ina Ohler.

Kinette Club of Vulcan President Shirley Gatenby thanked the guests and visitors and for the gifts received.

Dancing followed to the music of the Cameo Orchestra from Lethbridge.

THE WEEKS BEFORE. Drama activity at County Central High School is at its season's peak as preparations for the coming play "The Stuck Pot" reach the frantic stage. Caught at rehearsal above are two members of the cast, Cathy Middleton and John Douville. According to director Don Beggs, "the students are in a scene in which Mary has a hard time navigating at the dance, because of a pair of corrective glasses she has donned in order to look 'terrible.' John is a confused boy from Jason, Worthington's guests at the dance." All of which is somewhat disjointed but intriguing enough to suggest attendance at the play to see how it all turned out...April 27-28, CCHS Auditorium.

Milo Oldtimer J. R. Goldthorpe Buried At Vulcan

John Robert Goldthorpe passed away in Vulcan on Wednesday, April 19, 1967 at the age of 79 years.

He was born in Holmfirth, Yorkshire, England on Nov. 4, 1887, coming to Canada in 1921 and settling in the Buffalo Hills district where he farmed for several years before retiring to Milo in 1948, residing there at the time of his passing.

Mr. Goldthorpe served as Police Magistrate of Milo for several years. He was a member of the Alberta Wheat Pool and a trustee of Eastway School District.

He is survived by two sons, Hirst L. of Lomond and Mervin K. of Vulcan; four daughters, Mrs. L. D. (Harriet) White, Summerland, B.C., Mrs. A. (Edith) Garriock, Red Deer, Mrs. M. (Mary) Hoffman, Warburg and Mrs. K. (Lorraine) Stumpf, Milo; 16 grandchildren and seven great-grandchildren. One brother, Hirst of Warburg and one sister, Mrs. Edith Bucher, Warburg; one half sister, Mrs. Elizabeth Bill, Calgary also survive.

He was predeceased by his wife Annie Sarah in December, 1962, and by one brother and one sister in infancy.

Services were held at the Milo Lutheran Church on Monday, April 24, with Rev. G. Hendrickson officiating. Pallbearers were Murray Phillips, Donald Deltz, Ian Thomson, Albert West, Bob Deltz and Joe Thomson. Interment was in the Vulcan cemetery.

The Vulcan Funeral Home was in charge of arrangements.

JOHN HEAD

A Barons school teacher, John Head is the New Democratic Party candidate for Little Bow riding in the forthcoming provincial election. He was a candidate at Fort Macleod in the 1963 election.

Cold Weather And Snow Keep Farmers Off Land

Very little work has been done on the land up to this date, as the cold and unseasonable weather continues.

The snowstorm which blanketed Southern Alberta a week ago dropped from eight to 12 inches of the white stuff over most of the County and with cool weather and below-freezing temperatures at night snow drifts are still much in evidence and fields are not yet fit to work.

Unless a complete change in the weather pattern occurs this week, it is unlikely that any seeding or much field work of any kind will be done before the end of the month.

Town By-law Passes . . .

County Residents In Vulcan Recreation Area Vote May 16

Notice is given in this issue of The Advocate that a vote of the resident proprietary electors in that portion of the County of Vulcan described as the Vulcan Recreation Area will be held on Tuesday, May 16, to vote for or against By-law No. 603 of the County.

Approval of the by-law would authorize the county to establish a recreation area in the Vulcan district and make an agreement with the Town of Vulcan for the establishment of joint recreation programs and a joint recreation board.

The proposed recreation board would consist of seven members, four to be appointed by the County and three to be appointed by the Town. A special tax of one mill would be levied each year on all rateable property within the recreation area and funds thus raised for recreation purposes would be administered by the appointed board. The Town of Vulcan by-law, authorizing the Town to enter into the agreement with the County and levy a special one mill tax on all rateable town property for recreation purposes has already received third reading and been passed by the town council.

Funds raised in this manner for recreation purposes are used primarily to assist and encourage recreational organizations within the area. Organizations such as the Scout-Guide movement, community hall associations in the area, the County Band, the library, drama and choral groups, junior sports organizations and other groups engaged in recreation activities would apply annually to the recreation board for grants and funds would be allotted by the board according to need, purpose and the necessity to stay within a certain budget, which would be determined by the amount raised by means of the one-mill levy in the town and the county part of the recreation area.

The first recreation area in the

District Pioneer Peter McIntyre Laid To Rest

Funeral services for Peter McIntyre, 83, well known pioneer of the district, who passed away in Lethbridge Wednesday, April 19, following a lengthy illness, were held Saturday at 2 p.m. at the Vulcan United Church, Rev. W. Dornier officiating.

Born at Cedarville, Ont., he lived for a time at Grafton, North Dakota, coming with his parents and brothers to the Reid Hill district to homestead in 1905. He farmed six miles east of the early Reid Hill country store, taking an active interest in all community affairs until retiring to Vulcan in 1946.

Mr. McIntyre was a member of the Masonic and I.O.O.F. lodges and the Canadian Legion.

The large crowd and floral tributes were ample proof of the high esteem that friends and neighbors had for Mr. McIntyre. He will be remembered and sadly missed by all who knew him.

Surviving to mourn him are his wife, May; one son, Ross and one daughter, Mrs. Del (Reta) Thomas

REPORT CARDS OUT

Students of CCHS may not be impressed but parents will be interested to know that school report cards will be sent out early next week.

But County Vote Crucial

County of Vulcan was formed in the Champion district and since then recreation areas have been formed in the Milo and Lomond districts. Rural residents of the Lomond recreation district approved the County by-law when a vote was held. At Vulcan a petition signed by 10% of the resident proprietary electors of the rural part of the proposed recreation area was received, asking that a vote be held.

Those voting on By-law 603 on May 16 must be of the full age of 21 years and must be resident pro-

prietary electors of the County of Vulcan in the area described in the by-law (which is published elsewhere in this issue of The Advocate), as at Jan. 13, 1967.

Copies of the voters list are posted at the County Office in Vulcan, the Brant Post Office, the Kirkcaldy Store and the Redlandview Community Hall. Additions or deletions to the list may be made on or before May 8, 1967. After that date, no changes can be made and persons whose names are not on the voters list will be unable to vote on May 16.

Total Now 66 Mills

Education Costs Will Force 2-mill Tax Rate Increase

The additional two-mill Foundation Grant levy and generally increased education costs are reflected in the 1967 tax rates for the Town of Vulcan. The school tax rate is jumped 4.5 mills, but a three-mill decrease in the municipal tax rate leaves the net increase in the total tax rate this year at two mills, or a total of 66 mills as compared to 64 mills last year.

This year's school mill rate, including the Foundation Program levy and the County of Vulcan requisition, will be 34.5 mills (30 mills in 1966). The municipal rate, including debenture debt charges, will be 26 mills this year (29 mills in 1966). The health rate, including the Alberta Hospital Act levy, Peter Dawson Lodge and Foothills Health Unit is up one-half mill at 5.5 mills.

The town had a healthy surplus last year and it is not anticipated that projects such as sidewalks, street hard-surfacing and other normal work will have to be curtailed despite the reduction in the municipal tax rate. The 1967 mill rates were set at the regular council meeting held Monday evening, April 24.

At an earlier April council meeting, the following building permits were approved:

Church of Christ, 10x35 and 11x35 concrete block additions to church building. Estimated cost \$10,000. Contractor, Horst Thiering.

Clifford Schuler, 28x40 frame dwelling on Lots 4-5, Block 1. Estimated cost \$14,500.

H. J. Simmons, for demolition of Carson Block and Treasury Branch buildings.

Council approved the subdivision of the Clifford Fath property adjacent to the town's south boundary, provision to be made for future widening of the road.

Approval was given for an estimate to be made of the cost of

providing water service to the Noble Blade property east of the railway.

Will Speak At Carmangay And Champion Church's

Donald Hansen of Ensign, who attended Boys' Parliament in Edmonton recently, will deliver the sermon on Sunday, April 30 in the United Church of both Carmangay and Champion, choosing as his theme "A Young Man's Vision." These services will be of interest to young and old. The young people of both congregations will assist him with the service.

Donald is well known in the area for his many talents and he has also accepted the invitation to sing a solo at both churches as well as deliver the sermon. It is hoped that both congregations will plan to attend. This is a very special service and one that will be of interest to everyone in the two communities.

Hallucinations?

The weather has strange effects on people. Last week at the height of the snowstorm which followed the blizzard, a reader phoned the Advocate to say a flock of wild ducks had landed on her lawn.

The first reaction was that maybe the mixture of snow, mud, and dust which has been spring so far, had gotten the best of the lady and she had turned to the bottle.

While the matter was being considered... she is a respected lady... a second call announced that the ducks had flown away. We may never know.

Friends Honor Carmangay Pioneers

The dining room of the Carmangay United Church was filled to capacity on Sunday, April 2nd when over 175 friends gathered to honor Mr. and Mrs. Alf Wynn on their 50th wedding anniversary.

Memories of absent friends were reflected in the profusion of spring flowers from Powell River and the pussywillows grown from cuttings from the garden of the late Mrs. Delmar Hegland added their touch of nostalgia. The serving table was centered with mums arranged in a

golden bowl, the gift of the Jack Gwilliams family and was flanked by golden candles in crystal candlesticks. It will be a pleasure for the Wynns to remember the use of Mrs. Thompson's tea service, a treasured possession of the Jensen family. A fitting background for the graceful table setting was an oriental embroidered cloth, an heirloom gift from Alf's sister, the late Mrs. Lillian Blum.

Sharing the honors at the table were old friends, Mrs. Syd

Thompson, Mrs. Alex MacMillan, Mrs. Jimmy Holmes, Mrs. Roy Church, Mrs. Alvie Bjorensen and Mrs. Dick Davies.

The wedding cake baked by Mrs. Irene Smith and artistically decorated by Mrs. Elwood Irwin was set on a golden damask cloth, an heirloom possession of Mrs. Jimmy Holmes.

Elwood Irwin, master of ceremonies commented on the girlish appearance of the bride and the youthful vigor of the groom. Dur-

ing the program he read congratulatory telegrams from Hon. Mr. Diefenbaker, Hon. Dr. Kindt, and Hon. Tommy Douglas. Fiftieth wedding anniversary scrolls were presented from Premier Manning and Lieut.-Gov. Grant McEwan.

Among the guests from Calgary, Lethbridge, Lomond, Nanton and Shouldice were Hon. Dr. L. Kindt, M.P. and Mrs. Kindt. Dr. Kindt honored Mr. and Mrs. Wynn with the presentation of Centennial

Armada Bride To Live At Cardston

The Milo United Church was the scene of a lovely afternoon wedding on Nov. 19, 1966, when Glenda Irene, eldest daughter of Mr. and Mrs. Glenn Sealock of Armada, and Daryl Louis, only son of Louis Klemme of Cardston, were united in marriage. Mrs. E. Howie officiated at the double-ring ceremony. Baskets of pink and white roses, with white satin bows marking the pews provided the church decorations.

The bride, given in marriage by her father, chose a full length gown of chantilly lace. The skirt was very full, with three tiers each dipping into a train. The bodice was fitted with scalloped neckline and long lily-point sleeves. A four tiered shoulder length chapel veil misted from a floral headpiece seeded with pearls. Her bouquet was American Beauty roses, trailing with satin streamers intertwined with rose buds. Her only jewellery was a cultured drop pearl necklace, gift of the groom. Her gift to the groom was a cultured pearl tie tack.

Bridal attendants were Maxine Sealock, matron of honor; Sheila Lucas, bridesmaid; Donna Sealock, junior bridesmaid. They wore matching gowns of turquoise sculptured brocade with white shoes and

gloves. Their wispy veils of turquoise tulle were held in place by flowers made of the dress material. They carried nosegays of pink baby roses. Their only jewellery were pearl brooches, gifts from the bride.

The groom was attended by Keith Klemme, best man; Bill Sealock and Donald Shatuck as ushers. The soloist, Miss Judy Willard, sang "The Wedding Prayer," before the ceremony began and "I'll Walk Beside You" during the signing of the register. She was accompanied on the organ by Mrs. Leonard Northcott.

For her daughter's wedding, the bride's mother chose a beige lace two-piece dress, brown accessories with corsage of yellow roses.

The groom's mother chose a pale blue two-piece dress, white accessories with corsage of pink roses.

Following the wedding, the reception was held in the church parlors. The bride's table was centered by a three-tiered cake, made by the bride's mother and beautifully decorated by Mrs. Peggy Benson.

Bob Kunkel was master of ceremonies and gave the toast to the bride. The toast to the bridesmaids was given by Keith Klemme and response by Maxine Sealock. Mrs. Ken Sealock was in charge of the guest book.

For their honeymoon through the States and B.C., the bride wore a teal blue wool crepe suit, topped with brown fur coat and brown accessories, corsage of red roses.

Out of town guests were from Calgary, Lethbridge, Waterton, Cardston, Vulcan, Brooks and Bassano.

Mr. and Mrs. Daryl Klemme now reside in the Cardston district.

BRIDAL SHOWER HELD FOR MISS HELEN MERCIER

The Lomond Community Club and the Good Will Service Club were co-sponsors for a miscellaneous bridal shower held at the Lomond Community Centre on Wednesday evening, March 22, in honor of Miss Helen Mercier, bride-elect.

The gift tables were nicely decorated for the occasion with streamers and bells and centered with a little pink telephone, Helen having been employed by the Alberta Government Telephone Co. at Calgary until the past month. Despite the mud and miserable weather a large number of ladies were present to enjoy a few games of bingo presented by Mrs. Phyllis Huff. Following this a hilarious relay contest was held by Mrs. Leona Jones, and then a writing contest was held which also was very amusing.

Mrs. Violet Huff then presented the guest of honor with the huge array of gaily wrapped gifts on behalf of the clubs and her many friends in Lomond and district also extended best wishes for a happy wedded life.

Helen very graciously thanked everyone for their gifts and good wishes and invited one and all to visit them when they get settled in their trailer home. She was assisted in unwrapping the gifts by Mrs. Phyllis Pytlarz, Mrs. Diane Marks, her mother-in-law-to-be, Mrs. Grace Marks and Miss Dolores Marks. After all had signed the guest book a delicious lunch was served by members of the sponsoring clubs to end a most pleasant occasion.

Annual trade between Canada and South America exceeds half a billion dollars.

VARIETY RECOMMENDATIONS AVAILABLE

A few weeks ago I received a list of fruits and vegetables which are recommended for this district by the Research Station at Lethbridge. Because the list is rather long I would suggest anyone who's interested drop into the office to get a copy. Another publication which would be useful to gardeners is the Alberta Horticultural Guide. This is not a new publication as it has been out for about a year, however, the information is very worthwhile.

CHAMBER OF COMMERCE AND OTHERS

Those booklets are available which Mr. Nagel mentioned at the last Chamber of Commerce meeting. Those who would like a booklet on the Social Action Process can pick them up at this office.

SEED DRILL SURVEY

After several year's lapse the Agricultural Service Board and the Alberta Department of Agriculture are conducting a seed drill survey in the County of Vulcan No. 2. There will be samples taken from each Councillor's division. Those samples will be taken directly from the drill box and the variety, source and some other information will be collected about each sample. Vernon Jordan, Agricultural Fieldman and his assistant, Fieldman Kjeld Pedersen, as well as myself will be taking the samples. When the samples are analyzed you will receive a report on your own sample.

BUY SEED POTATOES

Be sure you buy seed potatoes this year for planting in your home garden or backyard.

Nearly all potatoes sold in stores and supermarkets have been treated with sprout inhibitors to stop them from growing while in storage. Although these potatoes are excellent for eating, they will not grow when planted.

As with any crop, you should always use good clean seed for best results. The small investment involved will more than pay for itself in terms of a better quality potato, higher yields, and fewer disease problems.

The Ensign ladies aid held their monthly meeting at the home of Mrs. Clara Bride on Tuesday, April 19. The tea draw was won by Mrs. Jeanette Hansen, donated by Mrs. Elaine Hall. Lunch was served by Mrs. Clara Bride and Mrs. Elaine Hall. The next meeting will be held at the home of Mrs. Jeanette Hansen.

R. C. R. MUNRO,
Editor and Publisher
P. M. Pickersgill, Assistant Editor

LETTERS TO THE EDITOR

Barons, Alberta
April 14, 1967
Editor, The Advocate.
Dear Sir:

FAIR TAXES

In this age more things are being done for us by governments than ever before; some of these things can only be done by governments. The trouble is that they do not do these things for nothing. In return they ask us for taxes and contributions, and we wonder if the benefits we receive are worth what we have to pay, and whether the burden of taxation is carried fairly. For instance should a bachelor pay property tax to support education?

Raising money to meet government expenditure seems to fall into two categories. On the one hand there are enterprises run by such as the Post-Office, the Liquor Board or the A.G.T., where the expenses of running the operation are met by those who use the services. They pay for the stamps, liquor or phone calls as they would to a private company. The principle is that those who use the services pay for them.

Other services such as police protection, education and defence, are provided differently. It is not now thought right, as it once was, that these should be available only to those who can pay. There have been private and corporate armies for hire in the past, and there are still private schools. Also if part of the community is uneducated or underfed, the whole community suffers.

These services are provided for all and are paid for by taxes. Since everyone shares in the benefit and some are not able to pay, taxes are collected on the basis of ability to pay. The most equitable way to collect this is through income-tax, although property tax is an attempt to collect money by the same principle.

A third way is to collect dues on certain transactions, such as sales taxes, sweepstakes, import duties and official stamps. These dues can sometimes relieve the pressure on other forms of taxation. Some lucky governments, such as Alberta, can also raise revenue by the sale of unsettled land and mineral rights, and by royalties on oil, etc. Such money of course belongs to the people of the province; returning \$50 to house holders or distributing oil dividends, is only giving people back their own money.

Municipalities have only the property tax unless they are able to run a corporate service at a profit. Most of this property tax goes to pay for education, and in this way the community keeps some control over its own education. However the property tax is not an accurate way of determining ability to pay; for instance a farmer must pay the same tax in a good or bad year. The New Democratic Party has long advocated reducing property taxes.

However, the funds must still be raised. (Only one party believes in Funny Money—something for nothing). The question is, are we going

to sell education, as we sell stamps and beer, to those who want it and can pay for it? Or are we going to provide it freely and compulsorily to everyone "according as he has need"? (Act 4:35) If the latter, then the money must be given by "every man according to his ability." (Acts 11:29). Income tax is fairer than property tax as a way of paying according to ability.

The New Democrats believe that a large part of property taxes could be replaced by a small increase in income tax and by keeping back a larger share of the wealth produced in this province, for instance by oil companies. We feel that in this way the burden could be carried more easily and more justly.

In this way we can have the benefits that only governments can provide, without making anyone carry an unjust burden.

Yours truly,
John Head.

Friends Honor

(Continued from Front Page)

Rev. Mr. Fyke opened the program in his own unique style, describing some amusing episodes in the lives of Alf and Rita Wynn. Mrs. Puzey's complete history of the lives of the bride and groom, written in rhymed couplets, will be a treasured possession of the family.

Eric Collier brought greetings from the Robert Burns Masonic Lodge and from Heather Chapter of the O.E.S. He also made the presentation of a purse, the gift of the Carmangay district.

The presentation of an engraved copper tray on behalf of the district of Plainfield was made by Mrs. Alex MacMillan.

Mrs. Wynn graciously thanked all their friends who had contributed so much to making this day forever memorable. After telling some stories of the trials, tribulations, and joys of the early days, Alf thanked all his friends for their kindness.

Mrs. Wynn is a charter member of the Heather Chapter of the O.E.S. and it is through the capable and untiring efforts of the O.E.S. that this memorable afternoon was made possible. They also solo and the O.E.S. choir sang contributed to the program when Mrs. Lee Badlwin played a piano song, some humorous and some serious, and a fitting ending to the afternoon was their rendition of "The End of A Perfect Day."

Mr. and Mrs. Alf Wynn are second generation pioneers as their parents were homesteaders early in the century and Alf too filed a homestead in 1905. Mr. and Mrs. Wynn have one daughter Betty who lives with her husband Jack and two children at Powell River, B.C. Betty and her son Wynn attended the celebration.

HERRONTON - FARROW

Mr. and Mrs. Paul Randle have returned from a holiday at Phoenix, Arizona, looking well tanned and in fine health.

Several local folks went to Gladys on Saturday night to attend the farewell party for Ernie Norton and family who have moved to a ranch at Castor.

Chris Van Bussell spent the long weekend with his parents. He is attending University in Calgary.

The Doug Lindquist rink consisting of Gary Tharle, Bob Beagle and Randy Malmberg won the square draw and were presented with their trophies at the Blackie Curling Club, wind up Banquet on Tuesday night.

Congratulations to Mr. and Mrs. Doug Davidson (nee Varnita Westersund) of Calgary on their marriage April 5th.

Between eight and 10 inches of snow fell in the storm of last week.

KIRKCALDY

Mr. and Mrs. Herman Geschwendt of Calgary were recent visitors at the home of their son-in-law and daughter Mr. and Mrs. John Roebuck.

Mr. and Mrs. Henry Todd of Lethbridge were weekend visitors in the district attending the Kirkcaldy Women's Institute Social evening on Saturday and the bridal shower for Mrs. Michael Davis on Sunday.

Friends of Mrs. Art Turley are sorry to learn that she is a patient in the Vulcan Hospital. A speedy recovery is wished her.

Mr. and Mrs. Herrie of Olds were weekend visitors with their niece and nephew, Mr. and Mrs. Bill Flinn.

Mrs. Dan McKay spent two days in Calgary this week.

Mr. and Mrs. Ivan Adams and family went to Calgary on Saturday to visit with their daughter and family for the weekend.

FROM THE LEGISLATURE

(By Raymond A. Speaker, M.L.A.)

After forty-one sitting days, the Fifth Session of the Fifteenth Legislature has prorogued.

From the many bills, the Alberta Health Plan Act will be of interest. The Alberta Health Plan will replace the present health program under the Treatment Services Act consisting of the Alberta Medical Plan and the Alberta Extended Health Benefits Plan. Among the more significant features of the new Plan are the following:

Under the present program, medical services and extended health services are provided under separate contracts. Under the new Plan medical services and certain dental, optometric, podiatric and osteopathic services will be "basic health services." Other services will be "optional health services" and these will generally consist of what are included in extended health benefits under the present program (except optometric, podiatric and osteopathic services) plus certain hospital services. The optional services are the three groups: (a) hospital and ambulance services; (b) drugs and

prosthentic appliances; and (c) chiropractic and naturopathy.

The Minister of Health, or an appointed carrier acting as his agent, will issue individual "standard contracts" for basic health services and optional health services. Only these standard contracts will be eligible for subsidies in respect of subscriptions. Coverage under a standard contract shall not be effective on any date prior to July 1st, 1967.

With some minor exceptions, all group and individual contracts issued by private carriers and all self-insurance plans that provide coverage for any basic health services will be required to provide coverage for at least all basic health services.

A group contract for any optional health services may be issued only for a group that also has coverage for basic health services. Similarly, a self-insurance plan can provide coverage for optional health services only if it provides coverage for basic health services.

The schedule of subsidies for the basic plan and optional health services have been proposed. They are based, as before, on a resident's taxable income.

Bridal Shower

At Kirkcaldy

For Mrs. M. Davis

A bridal shower honoring Mrs. Michael Davis was held at Kirkcaldy hall, Sunday afternoon, April 23. Approximately 50 guests were present including husbands and children.

At the head table the bride, Suzanne Davis, the bride's mother, Mrs. Helen Carscallen and Miss Anne Carscallen of Calgary, the groom's mother and grandmother, Mrs. Roberta Davis and Mrs. Bob Todd and the groom's aunt, Mrs. Henry Todd of Lethbridge were seated.

The gifts were recorded by the groom's sister, Marianne Davis. The decorations were pink and white wedding balls and streamers. Two colorful balloons filled with confetti were suspended over the guest of honor and she was showered with the gay confetti.

The "Hitching Post" sign was symbolic of Cour d'Alene, Idaho, where the young couple exchanged vows in April.

A pink rosebud corsage was presented to the bride by Mrs. Brian Todd.

The short get-acquainted program was arranged by Mrs. Barbara McLean and Mrs. Christine Hansen, assisted by Una McLean.

Mrs. McLean, a long time friend of the Todd family, brought the gaily wrapped gifts on trays and Ann, Anna and Joe McLean, and the groom's brother, Kent, dressed as waiters made the presentation.

The bride very graciously thanked the guests for the lovely and useful gifts and also the hostesses: Mrs. Allan McLean, Mrs. Henry Hansen, Mrs. Elva Carnegie and Mrs. Brian Todd.

Lunch was served by the hostesses assisted by the young folk.

Clerics' Corner

Rev. E. W. Clarke,
St. Aldhelm's Anglican Church

IN AN ECUMENICAL AGE

The Church of the 1960's is fortunately stepping out of the shackles of four hundred years of bitterness and hatred and is moving towards understanding, patience, and love for their brethren. It is a scandal that Christians have had this mind towards one another for so long.

Many people do not like the idea of the different denominations getting together. Others would have us rush into unions with little concern for what we believe. Both must be wary of fighting against the purpose of God. We know that He desires the Church to be One—in purpose, in spirit and in reality. This growing together is therefore an absolute necessity if we are to be what we profess—the Church of God, the inheritors of the Kingdom.

One of the basic approaches to this matter is to come to an understanding of what others are really saying—not what we think they are saying. From understanding proceeds acceptance, from acceptance comes concern, from concern grows love, from love the oneness of spirit to be found in Christ.

Get to know your brothers and sisters in the faith, what they think and what they believe. You will find that there already exists a oneness which simply needs to be built upon by the constant efforts of persons dedicated to the purposes of God.

There are today problems of wise use and control of our water resources which call with growing insistence for their solution. One of these is the pollution of rivers and lakes by sewage and industrial wastes. The control of pollution has emerged as an essential part of a broad water conservation program.

MISS FRANCES ANN CULLEN

Dear Homemakers:

JUST SOME TIDBITS OF INFORMATION THAT MIGHT BE OF INTEREST TO YOU LADIES

A report entitled Facts and Figures About Women in the Labor Force 1966 was just released by the Dominion Bureau of Statistics. Here are some interesting facts:

1. Over 2 million women are in the labor force; they represent 30% of the employed. Their participation rate has been increasing whereas the men's has been decreasing. Ontario and Quebec together account for almost two

thirds of the total number of employed in Canada.

2. In the five year period 1961-1966, a large increase has occurred in the number of married women in the labor force.

3. Almost half the women in the labor force are 35 years of age or over.

4. Both men and women are working fewer hours.

Cost of raising a child was reported in the March issue of Family Life. Cost of raising a child from birth to age 18 is about the same as the cost of buying a house, namely \$13,000 to \$27,000 says a U.S. government report. The figure, varies of course, with the standard of living and the section of the country in which the family lives: the lowest figure was for a child in a low income family in the south. The high of \$27,000 applies to the child on a prosperous farm in either North or South.

BUYING CHINA, CUTLERY, CRYSTAL?

Are you in this same position? A girl purchased 6 place settings of china (semi-porcelain) 5 years ago with the object of adding on to complete 12 place settings. Four broken cups later she checks with the store and is told that the pattern is discontinued!

For the benefit of the new girls who plan to start collecting china, cutlery and crystal and for the many more who will be registering or buying gifts for showers and weddings the following points should be considered.

1. Retail stores have no control over whether a pattern is discontinued. It depends entirely on the factory; demand controls production. Good bone china is usually kept in stock for about 10 years.

Cheaper dinner sets are discontinued much sooner depending on demand. A store will order a large supply of a popular pattern to keep it on hand for their customers.

2. Many consumers have the wrong concept of "open stock." All it means is that you can buy a piece at a time or a set at a time. It does not mean that it will be available in 2-5 years time.

3. One buyer suggested girls purchase 8 complete settings; 12 of course is ideal if you can afford it. This is where registering one's china, crystal, and cutlery should be encouraged. It also solves the gift giving problem.

4. In many cases girls register with a store for too expensive a pattern and then are unable to add on at a later date because of other financial commitments.

CARMANGAY

FISH AND GAME BANQUET AND TROPHY NIGHT

The Carmangay Fish and Game Association held its annual spring banquet on Saturday, April 8th in the Carmangay Community hall with around 120 sportsmen, their wives and children present. The United Church Women's Auxiliary catered to a very delicious turkey supper with all the trimmings.

President Glen Church welcomed all the guests and master of ceremonies Wally McIntyre formerly of Carmangay, now of Lethbridge. Wally introduced the head table guests comprised of his wife Elsie, Joe Balla, President of Alberta Fish and Game Association, President of the Carmangay Fish and Game Association, Glen Church and his wife Edith, past President Alvin Anderson and Elnora, in coming President Penny Anderson and Betty, President of the Lethbridge Fish and Game Sam McGee, Supervisor of Fish and Wildlife for southern Alberta Frank Somerville, Fish and Wildlife officer Charlie Dougherty of Lethbridge, and Secretary-Treasurer of the Carmangay Fish and Game Frank Teskey and Lorraine.

Guest speaker Joe Balla gave a very interesting talk on the using of insecticides and precautions to take when using them.

Trophies for the various fish, bird, and game competitions were presented to Alvin Anderson for pike, Gilbert McGinnis for Stream trout, Glen Parker for Reservoir trout, Ken Nelson for pheasant and goose, Don Fraser for duck, Ed Klone of Barons for elk and antelope, Ken Volk for Moose, Bernie Pruden for deer, Alvin Anderson was also presented with the A.J. Anderson and Son rifle trophy.

The membership draw was won by Howard Dunn of Turin, the 25 silver dollars were won by Terry Brownell and the picnic cooler by Greg Anderson. The evening was bought to a close by the showing of some wildlife and comedy films by Calvin Teskey.

CENTENNIAL PLANS

A recent meeting of the Centennial Committee with the mayor and town council was held and plans for Centennial Day celebration on August 4 were discussed.

Dignitaries will be invited to take part in dedication ceremonies connected with our two Centennial Projects, the Park-Play-ground and the Skating Rink.

This is to be a gala event with something for everyone. Groups and clubs are asked to start thinking of what you can do in regards of entering a float or decorated car in the parade which will be held prior to the dedication ceremonies.

It was decided to send invitations to all previous mayors of Carmangay and also to all people who used to live here. If anyone has suggestions for names to be put on this list for invitations please see that these names are sent to the town office or to Lawrence Myggland, secretary, or Mrs. B. Hwozdecki, chairman.

The centennial committee at present has no funds with which to pay for our Centennial Day because all grants must be used for the projects. It was suggested by the Centennial Committee that perhaps a few banners or flags for decorating the town could be purchased by the village.

The County of Vulcan Centennial Choir, under the direction of Mrs. Barbara Hwozdecki will be presenting a variety program featuring the choir and special artists in the Carmangay School Auditorium on Saturday, June 3 at 8 p.m. The proceeds from this show will be donated to the Carmangay Committee to be used as they see fit regarding Centennial Day Celebrations August 4th.

It is hoped that Carmangay and district will turn out to listen to this fine choir of 50 voices and by doing so not only have a wonderful evening's entertainment but also insure that our own Centennial Day celebration will be a success.

Some insist on Lethbridge Pilsner, several fine brews deftly blended in the Bavarian tradition. The best of barley, choice rice and our own home-grown hops give it the lively taste that appeals to Albertans. The unique label tells you it's Alberta's original Pilsner.

Others demand our Lethbridge lager — they call it 'bridge. This bright and bracing beer makes the most of its premium malt. The smooth, uniform taste is largely due to our own pure yeast and hops. Micro-filtered 'bridge is mellow, naturally-aged lager beer at its best!

MARCH BLIZZARD, 1951. Yes, that's snow that almost covers this row of granaries. This picture was taken at the I. Brownell farm at Carmangay following the big blizzard of March 15, 1951. These eight-foot high granaries give an idea of the depth of the big snowdrift in the foreground and the drift was solid enough

to walk on. Mrs. Brownell recalls that three of their cows died in the blizzard, which was followed the same year by another bad blizzard on April 15.

CURTAIN GOING UP AT C.C.H.S.

Thursday night, May 4, at 7:30 p.m. the CCHS auditorium will be the scene of the CCHS Drama Club's premiere performance of "The Stuckpot." The hilarious comedy will be played again on Friday night—same place, same time.

Laughter is in store for those who attend as well as the opportunity to see an example of what the students of CCHS are capable of doing. Over \$500 and over 400 hours of preparation, the sum total of the work by 80 students and Mr. Beggs, have been invested in "The Stuckpot." The dividend is happiness and a pride of workmanship for those students involved.

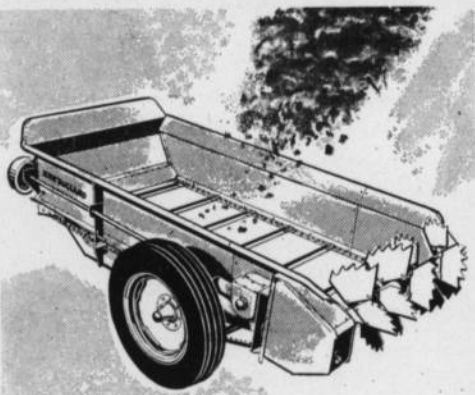

"The Stuckpot" opens when the girls of a snobbish Eastern academy invite the boys of a counterpart boy's school to their annual dance. During the preparation the girls discover that each boy has put "two-bits" into a pot and that the total will be awarded to the boys who gets stuck the longest with the worst girl. Consequently the girls try to make themselves as undesirable as possible. This is humorous in itself, but is especially so when unexpected high society guests drop in.

Everyone is invited to attend and your presence will be appreciated by the Drama Club and students of CCHS.

Tickets are on sale now for \$1.00 from any member of the Drama Club. Tickets will also be available at the door, as long as they last.

Cameras will not be allowed into the auditorium during the performance but pictures can be taken after the play each night.

EILEEN BIRCH RETIRES FROM CO-OP OFFICE

At a recent meeting of the U.F.A. Co-op board in Calgary a dinner was held at the Ranchmens Club to pay tribute to Miss Eileen Birch who has served the farmers of Alberta for forty-three years.

She first served as secretary-treasurer to the U.F.A. group, the U.F.W.A. and the Juniors while Mr. H. Wood was chairman of the farm organization.

Mrs. Irene Paribby headed the women's section. Miss Birch ceased to serve the U.F.A. after amalgamation but was then named secretary to the U.F.A. Co-op. It is doubtful if any other person in Alberta knows the rural area as she does. She can pinpoint the locals of our province accurately and has taken great pride in watching the U.F.A. Co-op organization grow and extend its services to all parts of the province.

Milton Ward was called upon to express thanks of the Co-op board to Miss Eileen Birch for her outstanding and loyal service to the organization. On behalf of the board, Mr. Ward presented her

with a portable typewriter, a purse of money and the good wishes of all the directors and staff upon her retirement.

BOB STAGG FUNERAL

Several people of the Arrowwood district attended the funeral service at the United Church in High River for Robert Stagg.

At one time Mr. Stagg served as manager of the Buffalo Hills Ranch and later farmed part of the land owned by Jack Butler. After leaving Arrowwood he married Margaret Wight of High River and they farmed in the Okotoks area for many years.

He leaves to mourn his loss, his wife, four daughters and one son. Prior to his last illness they had moved to a farm in the Castor
